California Proposition 65 Declaration

Crown Plastics Company of Harrison Ohio, 45030 certifies that none of the UHMW products produced and sold -- including natural, pigmented and pressure-sensitive adhesives -- contain any of the substances found on the February 25, 2022 update of the California Proposition 65 listing of cancer causing chemicals.

Proposition 65 (the Safe Drinking Water and Toxic Enforcement Act of 1986) is a California law intended to protect drinking water sources and require businesses to provide a clear and reasonable warning before exposing individuals to consumer products containing chemicals known to cause cancer, birth defects or other reproductive harm.

This letter is to inform our customers that our natural UHMW does not contain chemicals at concentrations that would require a Proposition 65 warning label.
