Toxic Substances Control Act (TSCA) to Regulate PBT

On February 3, 2021 the US-EPA has put out the Toxic Substances Control Act (TSCA) to regulate PBT (persistent, bioaccumulate, toxic) chemicals.

The EPA prohibits the manufacture, distribution and importation of articles containing these designated PBT chemicals. Crown Plastics Company's UHWM products contain none of these chemicals:

- a) Phenol, Isopropylated Phosphate (PIP(3:1))
- b) Decabromodiphenyl Ether (DecaBDE)
- c) 2,4,6-tris(tert-butyl)phenol (2,4,6-TTBP)
- d) Hexachlorobutadiene (HCBD)
- e) Pentachlorothiophenol (PCTP)
